IGI - INTERNATIONAL GENEALOGICAL INDEX:

On Fiche (incomplete) & Computer (www.familysearch.org). The IGI has over 200 million names with identifying. Arranged by locality & alphabetically by name within each locality.

FAMILY SEARCH:

On Computer - Ancestral File, IGI, FHLC, Military Index (Korean & Vietnam), Social Security Death Index, & Scottish Church Records.

ANCESTRAL FILE:

On Computer - One of the first sources to check. Results can provide individual records, pedigree charts, family group sheets, descendency. About 29 million names & 11 million linked families.

PEDIGREE RESOURCE FILE:

On Computer - Master Index refers to file information.

FHLC (FAMILY HISTORY LIBRARY CATALOG):

On Fiche & computer. Search by: Locality, Surname, Subject, Author, & Title. Through the FHLC the patron has access to over 2 million reels of microfilm in Salt Lake City for many parts of the world. We can not order books to be sent to the F.H.C. BUT a request can be made to have a book filmed or fished.

FICHE REFERENCE TITLES (Green Notebook):

Thousands of titles. Patron ordered fiche are also filed in this collection. Check Notebook for fiche #.

FICHE SURNAME TITLES (White Notebook):

Check Notebook for fiche #.
